60 ml spray bottle template:

Please note the following:

1. The maximum number of colours we do on spray bottles is three (3).
2. We use foil printing on sprays; they are solid colours (i.e not patterned or shaded).
3. We only use stock colours (we do not colour match foils).
4. By law, all our spray bottle must have a warning/caution advice; below are the two we most commonly use:

1. **Spectacle Lens Cleaner**

CAUTION
NOT FOR CONTACT LENSES
AVOID CONTACT WITH EYES
